

TRUVY

Policy Coaching Team

The mission of Truvy® is to provide a path to greater health and longevity through innovative products that are safe and effective, coupled with programs that support healthy daily habits. Our products are powerful and affordable, providing a foundation for an amazing compensation program. Finally, Truvy® is helping people to develop genuine, quality relationships with family, friends, and work associates, achieved by promoting work-life balance, service-based leadership, and personal development.

What is the Policy Coaching Team Department (PCT)?

The PCT purpose is to help Independent Associates understand their responsibilities as Independent Associates with respect to the Company's Terms & Policies, processes, and the rules from various government agencies, like the FDA, FTC, etc.

PCT also reviews and manages business requests and sales tools (flyers, brochures, personal testimonies, etc.)

What do I do if I am contacted by the Policy Coaching Team?

Simply respond. PCT's main goal is to **protect** your business and help your business succeed!
